

SL: You helped these founders change the rules

Hello,

Because of your investment in Rising America, entrepreneurs of color and LGBTQ+ founders have the capital to scale their fast-growth companies.

- **YOU** saw the importance of providing banking services to the un- and underbanked with Wole Coaxum's [MoCaFi](#).
- **YOU** believed in Amy Errett, LGBTQ+ founder of [Madison Reed](#), the hair care company that values their employees as much as their product.
- **YOU** embraced Steven Wolfe Pereira, Susie Jaramillo and [Encantos'](#) mission to bring multicultural learning to all children, while building a world-class media property.
- **YOU** are investing in the leaders generating headlines today- and changing how we live tomorrow.
